

**RELIGIOUS EDUCATION  
COMMITMENT TO WORSHIP**

**Worship Commitment:**

Each student in grades 4-10 can choose a way they will participate in the weekly mass by altar serving, greeting, lecturing or singing in the choir. They are responsible to be at mass when scheduled, sign in when on duty, and get a replacement if necessary.

- **Parent Gatherings:**

Once a month a grade level will be responsible for planning the 8am mass as outlined on the calendar and parents of that grade must attend a session following the mass while their children are in class. This meeting is designed to learn more about your faith and share ideas and concerns you have in common with other parents.

- **Mass Attendance:**

Attendance at one of the weekend masses is expected as a family and is important for the child's faith development.

\*Class is scheduled to make it convenient to attend either 8am or 11am mass.

- **Groceries:** Please make it your child's responsibility to bring groceries to mass each week for our food pantry at the Bridge. This is a wonderful way to teach sharing with others less fortunate.
